**Re: Roberts v. Ritch, et al
20-cv-09861 (PAE) (OTW)**

Dear Judge Engelmayer:

Plaintiff is writing this letter *on consent* to request an extension of time to file the appropriate dismissal papers with the Court. As the Court may recall, on September 15, 2022, an order was entered by the Court stating that the Court has been informed that the Parties have reached a settlement in principle in this case. (Dkt No. 44) Accordingly, the Court ordered that this action be dismissed without costs and without prejudice to restoring the action to the Court's calendar, provided the application to restore the action is made within forty-five (45) days of this Order.

Plaintiff is not requesting the matter be restored to the calendar but is requesting an additional 15 days to file the appropriate dismissal papers. The reason for the request is that it is taking a bit longer than expected to finalize the agreement, and thus request to **November 14, 2022**, to file the appropriate dismissal papers with the Court or in the alternative to be able to restore the matter to the calendar.

Thank you for your consideration of this request.

Respectfully submitted,

STEWART LEE KARLIN
